Re: 2021 Safety and Loss Control Grant Program

Dear Members:

On behalf of the Executive Committee of the Statewide Insurance Fund I am pleased to advise that we have again funded for the 2021 Grant Program.

The 2021 Fund year grant will be for general safety and loss prevention purchases or loss control services.

You are eligible for up to the maximum of 1% of the annual assessment for 2021. Attached is the grant application to be completed and returned to our office.

Please note the hard deadline for submissions.

If you have any questions regarding the process, eligibility, or other questions, please contact your loss control representative or our office.

STATEWIDE INSURANCE FUND RISK CONTROL GRANT PROGRAM

2021 FUND YEAR

The Statewide Insurance Fund (SIF) Executive Committee is continuing the risk control grant program for Fund members in good standing. The grants are intended to provide an extra-budgetary resource for funding purchases designed to reduce the frequency or severity of employees injuries/illness and or property and liability losses.

Examples of items eligible for SIF grant funding for workers compensation:

- Back-up cameras for municipal vehicles to minimize risk of personal injury
- Audio visual equipment to facilitate employee safety training
- Hydraulic cart tippers or collection arms to replace manual refuse collection
- Powered lift gates to facilitate lifting of oversized equipment or refuse
- Personal protective equipment such a police body armor, high visibility traffic safety apparel, chain saw chaps, anti-vibration gloves, and hard hats
- Replacement of obsolete shop equipment failing to meet modern safety standards
- Trench shield and shoring equipment to prevent trench collapse
- Roll over protection systems for mobile equipment
- Baseline and periodic physicals and screening for fire fighters and EMS workers
- Body cameras for police officers
- Crossing guard physical qualification screening
- External safety related training programs

Examples of items eligible for grant funding for property and liability:

- Automated fire suppression systems
- Surveillance systems for vehicles, police stations and insured facilities
- Sewer line video imaging equipment
- Back up cameras to avoid collisions
- Temporary traffic control devices such as signs, cones, barricades and variable message boards
- Replacement of non-compliant/unsafe playground equipment and bleachers
- Automated external defibrillator's (AEDs) for areas of high occupancy and or public assembly
- Computer firewall and security software to prevent electronic theft
- Facility enhancements (i.e. improved lighting; security; interior/exterior walking surfaces; etc.).

Members are eligible to receive up to one percent (1%) of the Workers Compensation and/or All Lines assessment, based on the purpose and benefit of the project. To apply for the grant, members should complete the attached application form. The forms should be returned to the Fund Administrator's office at the address provided.

GRANT SUBMISSION DEADLINE IS DECEMBER 10, 2021.

Instructions

- Please type and single-space all proposals.
- Please answer all of the questions in the order listed.
- Please use headings as provided.
- Please submit only one copy.
- Please do not include any materials other than those specifically requested at this time.

Grant Review Process

1. Forward Grant application to Statewide for tracking purposes.
 - By email: stagliareni@sifnj.com
 - By mail: Statewide Insurance Fund, One Sylvan Way, Parsippany, NJ 07054
2. Statewide will forward to the Loss Control Consultant who will review it for content and completeness, and will work with member contact on any issues or questions.
3. If all criteria are met with approval of Loss Control Consultant, the grant application will then be submitted to Statewide Insurance Fund's Executive Committee for evaluation and approval at the next scheduled Executive Committee meeting.
4. Upon evaluation, member contact and risk manager will be notified regarding outcome by the Fund.
5. Upon approval, grantees must provide proof of purchase and payment (copy of invoice and cancelled payment check) **within 120 days of grant approval**. SIF will issue a reimbursement check up to the maximum value of the grant. If necessary, SIF can also pay vendors directly, if provided with an invoice that indicates the vendor's tax ID number. If the grant application is incomplete, members will have the opportunity to make modifications up to the application deadline. All decisions regarding the eligibility of proposed items by SIF are final.
6. For members in the third year of their membership commitment in the Fund whose grant is approved during the 6 month period prior to the renewal term of their membership, payment for the grant will be made in the following year, subject to the member continuing its membership in the Fund.

GRANT SUBMISSION DEADLINE IS DECEMBER 10, 2021.

Statewide Insurance Fund

Risk Control Grant Application

Date: _____

Member Name : _____

Address of organization: _____

Telephone number: _____ E-mail: _____

Manager/Administrator/ Executive Director: _____

Contact Person and title (if different than above): _____

Safety Coordinator: _____

1. Purpose of grant (one sentence): _____

2. Risk Management item/service or project name: _____

3. Describe the loss control/risk management need you want to address.

(Helpful Hint: a statement of the item(s)/service(s) primary purpose and the need or problem that you are seeking to address)

4. Describe the risk control item(s) and/or service(s) you are proposing to purchase to meet this need.

(Helpful Hint: provide descriptive information about the item or service, planned use/application, etc.)

5. What is the total cost of the risk control item(s) and/or service(s)? (provide copy of proposal/invoice – 3 quotes or pricing from various providers is recommended)
